

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## STATE LAWS AND REGULATIONS PERTAINING TO PUBLIC HEALTH.

---

### KANSAS.

#### **Child Hygiene—Division Created in State Board of Health. (Act Mar. 6, 1915.)**

SECTION 1. That there is hereby created in the Kansas State Board of Health a division to be known as the division of child hygiene, to be under the general supervision and direction of the State board of health.

SEC. 2. That the general duties of this division of the State board of health shall include the issuance of educational literature on the care of the baby and the hygiene of the child, the study of the causes of infant mortality and the application of preventive measures for the prevention and the suppression of the diseases of infancy and early childhood, and such other duties as are prescribed by the State board of health.
